

5. Prepositions of place

Prepositions of place

| | | | |
|---|---|---|--|
| Above  The TV is above the stand | Across  The cafe is across the street | Along  We like to walk along the beach on summer | Around  The kid is running around the house |
| Against  The bike is leaning against the wall | At  We will watch Platzi Live at my house | Behind  I dropped my keys behind the fridge | Beside  My cat likes to sleep beside me |
| Below  The shark was just below the surface | Beneath  There's an entire ecosystem beneath those rocks | Between  The ball is between the table and the desk | By  I always keep my phone by my side |
| Close to  The Platzi building is close to my house | In  My lunch is in my backpack | In front of  There is a new restaurant in front of my house | Inside  Easter eggs have toys inside |
| Near  I live near the police station | On  I was on the 5th floor | Opposite  The dental clinic is opposite the shopping mall | Outside  We are outside the building |
